

AEOS Product Information November 2007

Date: November 8, 2007
Subject: AEOS Product Information November 2007

Herewith we would like to inform you about the pre-announced hardware & new AEOS release. Below you can find the article numbers, naming & availability for our new products. For more information, please contact your Nedap N.V. Security Management sales representative in Groenlo.

The Convexs series

The Convexs reader will be available in different versions with different technology (Mifare & Nedap and solely Mifare) and housing (surface & flush mount). The flush mount has especially been developed to fit in a junction box.

The Mifare version is called: Convexs M80 and the Convexs reader with dual technology (Mifare & Nedap) is called the Convexs MN80. The Flush version is indicated with an F.

Please find the article numbers, prices and availability of the different versions below.

Name	MSRP	Article Number	Availability
Convexs MN80	€ 295	9856110	1st November 2007
Convexs MN80F	€ 295	9856390	1st December 2007
Convexs M80	€ 195	9856250	mid-December 2007
Convexs M80F	€ 195	9856420	mid-December 2007

A so-called Convexs adapter is required for the application with AEOS reader packs and XS readers. These adapters can be used with all the different versions of the Convexs readers. For more information please see the productsheet / installationsheet.

Name	Net Purchase Price	Article Number	Availability
AX1014 Convexs Adapter (required when using reader AEPacks)	€35,-	7817401	1st November 2007
AB350 Convexs Adapter (required with "XS readers")	€35,-	7817010	1st November 2007

For the Convexs series and the AP1201 series vandal proof protectors will be introduced. The protectors for the Convexs series will be available for the surface and flush version and will be available in January 2008.

Please note that the dates mentioned are the dates at which the products can be ordered. The delivery time of this material is approximately 5 weeks. Attached to this e-mail you'll find the Convexs productsheet.

nedap aEOS
